

St Paul's Catholic College

THE EPISTLE

Headteacher's Message

Dear Parents and Carers

As I write this Epistle at the end of a busy half term, I see our Chaplaincy Team loading three of our minibuses with lots of food for our local Foodbank at St Saviour's Church. At the heart of St Paul's is our mission statement, "Achieving Excellence, Learning to Serve" and I have the pleasure of witnessing this every day at St Paul's. Our students continually make us proud and live these values through their behaviours. The minibus filled with donations is just one example of our school community's generosity and commitment to others. Through their charitable efforts, they bring Catholic Social Teaching to life by supporting those who are less fortunate. Thank you all for your food donations this Harvest.

At the beginning of term, we celebrated the collective outcomes of our Year 11 and Year 13 pupils. Again, the GCSE and A Level results were amazing. From the GCSEs awarded, 25% were graded at 8 - 9, with 40% of students achieving grades 7 - 9 and 76% securing a grade 5+ in both English and Maths. We also celebrated the outstanding achievements of our Year 13 cohort in this year's A Level and BTEC examinations, with pupils achieving 90% A*-C and 100% Distinction - Merit at BTEC. This has resulted in many students being offered places on fantastic apprenticeships and at the top Russell Group universities. We are incredibly proud of everything all our pupils have achieved.

Year 11 are currently working hard in preparation for their mocks after half term. We have found that holding these examinations early helps to reduce stress and build students' confidence at the start of the academic year. Year 11 will then complete another set of mocks in February in preparation for the final exams in May. We encourage our students to revise consistently, maintain a healthy balance between study and leisure, and take care of their wellbeing. Our Year 11 pupils are doing so well, showing great dedication, and we are confident they'll achieve excellent results.

Our new Year 7 pupils have made an excellent start at St Paul's and are embracing the lively atmosphere of secondary school life. They've been settling in well to their new subjects and have recently enjoyed an art trip to Kew Gardens.

Thank you to everyone who has brought the new mobile phone pouches - the uptake has been excellent, with only a small number of students still needing to purchase one. Remember, all students in KS3 and KS4 must have their phone in a pouch before they come to school on Monday 2nd November. Any phones seen out and about will be immediately confiscated and may be kept by the school for up to a week. I am sure everyone will support us with this new and important initiative. For more information about our Mobile Phone Policy, please refer to the school website. [St Paul's Catholic College - Mobile Phone Pouches](#)

As we move into the colder and wetter months, please ensure your child follows the school's uniform policy by wearing only plain navy or black coats. Outerwear that does not meet this policy may be confiscated, and parents will be contacted if necessary.

We hope everyone has a well-deserved rest over the half-term break, and we look forward to welcoming back the students to school on Monday 2nd November.

God Bless

James M Nulty
Headteacher

GCSE AND A LEVEL RESULTS DAYS

CELEBRATING OUR STUDENTS SUCCESS

We were incredibly proud to celebrate with our A Level, BTEC and GCSE students this summer on their fantastic results.

A Level and BTEC Results

This August we were extremely proud to be celebrating our best ever A Level and vocational results at St Paul's. An impressive 90% of our students achieved A*-C with 66% of students achieving A*-B. The results represent an outstanding performance for the school, with the students achieving an average A Level grade of a B. An amazing 77% of our students on our vocational pathway achieved Distinction*/ Distinction.

These results have enabled the majority of our students to gain their first-choice university and apprenticeship places. We would like to thank all our staff, students and parents for all of their hard work and support during their time at St Paul's.

We are delighted our results go from strength to strength ensuring the best opportunities for our students on their future pathways and we wish them every success in the future.

GCSE Results

The following week, we were proud to again be celebrating the fantastic outcomes of our GCSE cohort. They performed exceptionally well with over 40% achieving 7+ and 76% achieving 5+.

Well done to all our students, staff and supportive parents on another set of brilliant results! These achievements provide our pupils with a strong foundation to progress into further education and beyond.

Welcome Masses

We were delighted to begin the new academic year by coming together as a school community for our Welcome Back Mass, celebrated by Father Philip. Reflecting on Jesus' words, "I am among you as one who serves" (Luke 22:27), we were reminded of the importance of Service, our school Charism, and of the call to put our faith into action through the way we serve and care for others. This joyful celebration provided a meaningful start to the year and encouraged us all to live out our school motto - *Achieving Excellence, Learning to Serve*.

A few days later, our Sixth Form students and new Year 7 pupils were welcomed with a special Mass celebrated by Father Christian from St Ignatius Church. It was a wonderful opportunity to pray together and mark an important new beginning for both year groups.

We are very grateful to our Deanery priests for leading these beautiful celebrations and for their continued support and presence within our school community. Together, both Masses set a prayerful and positive tone for the year ahead.

Sixth Form Induction Programme

THE HUB CHALLENGE

As part of their Induction Programme, our new Year 12 students took part in a team-building activity at the beginning of term called *The Hub Challenge*, delivered by WiseUp Team Building.

The session was designed to strengthen key skills such as teamwork, problem solving, leadership, communication and planning – all of which will be essential as students embark on their A Level and BTEC courses.

It was a great afternoon, with students fully engaging in the challenges and enjoying the experience. We are delighted with how our Year 12s have started the term and look forward to sharing their progress with you in the coming months.

Blood Brothers Drama Workshop

DELIVERED BY STAGE-ED

We recently welcomed back regulars to the school, Mike Southern and Steve Palfreman from Stage-Ed, to deliver their outstanding workshop on the play Blood Brothers to our Year 10 and Year 11 GCSE students.

Mike and Steve co-founded Stage-Ed and starred as Mickey and Sammy in the original theatre production for 10 years. They spent the whole day working closely with our students to give them a better understanding of Willy Russell's musical in preparation for their forthcoming examinations.

The groups gained a great deal of knowledge from the workshop, which included performing important parts from the show, analysing sequences in-depth, and offering advice on the nuances of the Liverpudlian accent and dialect. Thank you again for another wonderful educational opportunity.

Kew Gardens Art Trip

Over the last half term, the Art Department and their Year 7 students have visited Kew Gardens as part of their ongoing project exploring art and nature.

With autumn in full swing, the gardens provided a spectacular display of colour. Pupils observed vibrant red and orange leaves, golden trees and beautiful patterns in nature, taking inspiration from the changing seasons. The striking colours and intricate details encouraged everyone to look more closely at their surroundings and appreciate nature from an artist's perspective.

One of the highlights of the trip was seeing the impressive sculptures by Henry Moore. Pupils explored the shapes, curves and flowing forms of the sculptures, considering how art can connect with the landscape around it. Seeing these large-scale artworks in their natural setting offered a different perspective from studying sculptures in a classroom or book.

This was a fantastic opportunity for students to connect their classroom learning with real-world art. Armed with their sketchbooks, pupils recorded their observations and experimented with drawing shapes, textures and natural forms. These sketches will provide valuable inspiration for future artwork and help develop their observation and drawing skills.

We look forward to seeing how the visit impacts on their own work over the coming term.

Year 8 Retreats

Year 8 students have enjoyed their retreat programme this term which centred on the theme “I have called you by your name” (Isaiah 43:1).

Each group of students have had a full and engaging retreat session, beginning with prayer, followed by a series of icebreaker activities to help them connect with one another. Mid-morning, they watched a film clip exploring the Parable of the Prodigal Son, and then an opportunity to reflect on their own relationship with God and write a personal letter to our Heavenly Father.

The afternoon was filled with creativity as students took part in arts and crafts activities, making good deed bead chains and designing their own name plaques.

Through prayer, reflection and creative expression, these retreats have provided a meaningful opportunity for students to deepen their faith, reflect on their identity and recognise that each of them is known and loved by God.

Year 8 Mass

Father Philip led us in a wonderful celebration of Mass to mark the completion of our Year 8 retreats. The Mass reflected the theme that had been at the heart of the pupils' retreat experience: “I have called you by name; you are mine” (Isaiah 43:1).

It was lovely to see so many of our Year 8 pupils taking an active part in the celebration. The Year 8 choir led us beautifully in song, while pupils also contributed through the readings, offertory, music and welcoming ministries.

As part of the Mass, pupils from each tutor group offered their personal letters to God, our loving Father, and wrote their own prayer intentions for the Prayers of the Faithful. This provided a particularly thoughtful and prayerful moment in our celebration.

The retreats were a truly special time for our Year 8 cohort, giving pupils an opportunity to reflect upon their faith, their individual meaning of their names and God's love for each one of them. Throughout both the retreat programme and the concluding Mass, our pupils participated with great thoughtfulness and reverence. We are very proud of the way they embraced this special experience.

Mission Together Mass

Members of our School Chaplaincy Team were delighted to attend the Missio Mission Together Mass at St Theodore's Catholic Church in Hampton recently. Celebrated by Archbishop Moth, the Mass reflected on the life and example of St Thérèse of Lisieux, Patroness of Missions, whose 'little way' reminds us that we can all be missionary disciples through small acts of faith, love and service in our everyday lives.

The Mass was a wonderful celebration of faith, bringing together schools from three different Dioceses. It was a privilege for our Chaplaincy Team to be part of such a special occasion and to join with other young people in prayer and thanksgiving.

A heartfelt thank you to Fr Philip Baptiste for hosting the celebration and making everyone feel so welcome.

Year 5 Retreats

Year 5 pupils from Our Lady of the Rosary Primary School and St Michael's Primary School recently visited St Paul's for a retreat day focused on recognising and celebrating their God-given talents. Through a range of reflective activities, they explored their unique gifts and considered how they can use them to support others and make a positive difference in their communities.

The students were enthusiastic, engaged, and participated wholeheartedly in all the activities. It was a real joy to spend the day with them, and they were a wonderful reflection of their schools. They should be very proud of themselves for their positive attitude and excellent participation throughout their retreats.

Harvest Foodbank Collection

Our annual Harvest Collection is a much-loved tradition at St Paul's. It provides an opportunity to give thanks for the blessings we have, while responding to the call of Catholic Social Teaching to stand in solidarity with those most in need and work for the common good.

We are incredibly grateful to our staff, pupils and families for the many generous donations given to the Foodbank at St Saviour's Church. We were also delighted to welcome children from the Sunflower and Daisy Rooms at the Pavilion Day Nursery, who visited St Paul's to deliver their wonderful contributions. A special thank you goes to their parents and carers for supporting the collection so generously.

Visiting the Foodbank and meeting its dedicated volunteers is always a particularly meaningful part of the collection, reminding us of the tireless work taking place throughout the year to support local families.

These special moments allow our pupils to live out our school values of *Love, Service and doing the best that is possible*. Thank you to everyone who contributed, and to our Premises Team for ensuring that all the parcels were delivered safely.

If you or someone you know may benefit from the support of the Foodbank, please enquire at: <https://www.stsavs.org/foodbank>

Month of the Holy Rosary

PRAY THE ROSARY WITH US

During October, the Month of the Holy Rosary, our School Chaplaincy Team came together to record a podcast praying the Glorious Mysteries.

It was a joy to hear the voices of so many of our pupils, especially our new Year 7 Chaplaincy Team members, who have already made such a positive contribution to the prayer life of St Paul's.

We would love our families to join us. Please take a few quiet moments at home to pray alongside our pupils, entrusting your own intentions and the needs of our school community to Mary's loving intercession. [Click here to pray the Rosary with us.](#)

Young Carers Award

CELEBRATING OUR SURREY YOUNG CARERS ANGEL AWARD

At a small presentation held on the school lawns recently, St Paul's was delighted to receive the Surrey Young Carers Angel Award from Rachel Bennett of Action for Carers Surrey.

The Angel Award scheme was developed by young carers to help ensure that pupils with caring responsibilities are recognised, valued and supported within their schools.

St Paul's is extremely proud to have received this award, which recognises the hard work and commitment of our staff in meeting the standards required to become a 'Young Carers Friendly' school.

A special thank you goes to Mrs Ilbury, who started the initiative, and to Mrs Darvill, who has continued to develop and strengthen the support we provide to young carers.

Our carers meet once a term in school, providing an opportunity for them to come together, share experiences and receive support. For further information on Young Carers at St Paul's, please refer to our school website.

Duke of Edinburgh Expeditions

Over the last half term, our Year 10 Duke of Edinburgh students have been putting their skills to the test on their Bronze Expeditions in the beautiful Surrey Hills!

The students had a fantastic time embracing the challenge, exploring the great outdoors and developing their confidence, resilience and independence along the way. The expeditions at Bronze level provide a valuable opportunity for participants to develop skills in a practical setting. From navigating the routes to working together to overcome challenges, our students demonstrated brilliant teamwork, determination and a real sense of adventure.

It was wonderful to see everyone supporting one another, making memories and enjoying all that the great outdoors has to offer. Well done to all our Year 10 students for their enthusiasm, positive attitudes, and fantastic team spirit! Now it's time to make sure they have added all of their evidence to the DofE and to get their awards completed.

Applications for Year 10 Silver DofE will open after half term.

Celebrating World Mental Health Day

LIVED EXPERIENCES HEARD - REAL VOICES, REAL CHANGE

Last week at St Paul's, we celebrated World Mental Health Day, which took place on Saturday 10 October 2026. This year's theme from the World Federation for Mental Health was "Lived Experiences Heard: Real Voices, Real Change."

At its heart, this theme reminds us that everyone has a story, and we may not always know what someone else is going through. Real change begins when we take the time to slow down, listen without judgement and show others that their voices matter, linking closely to our Catholic Social Teaching values - Dignity of the Human Person.

Throughout the week, our students have been exploring what it means to feel heard and how we can become better listeners. During tutor time, they reflected on two important questions: "How do you want to be heard?" and "How do you listen?" Students were invited to choose from three creative activities and our staff also had the opportunity to take part in World Mental Health Day initiative by participating in a short "Walk & Hear" session after school, offering a chance to step away from the business of the day to enjoy some breathing space and connect with colleagues through conversation and listening.

Year 11 Study Skills Day

Staff delivered an engaging and highly informative Study Skills Day earlier in the term for our Year 11 students, focusing on English, Science, Maths and RE. The aim of the day was to develop students' study skills and help prepare them for their forthcoming examinations.

Students were actively engaged throughout the day and thoroughly enjoyed the workshops. They found the sessions extremely helpful and left feeling more confident about how to approach their revision, as well as having a clearer understanding of the key areas they need to focus on in preparation for their exams.

Aiming High!

Recently, we welcomed back former student Niamh who has gained a place to study Engineering at Cambridge University.

Niamh spoke to Year 12 students who were high performers at GCSE about her experience applying to Cambridge as part of a talk on making Oxbridge and Medical School applications.

The students were encouraged to read and research around their subject interests further, and have certainly been encouraged to aim high!

MacMillan Coffee Morning

Coffee, cake and community! At break time on Friday 2nd October, staff gathered to enjoy delicious cakes and support the Macmillan Coffee Morning. Donations from thousands of Coffee Mornings, big and small, help raise vital funds to support the almost 3.5 million people in the UK living with cancer, from the moment they are diagnosed, throughout treatment and beyond.

As we focus on Human Dignity this half term, Macmillan's wonderful work reminds us of the dignity and worth of every person, whatever they may be going through.

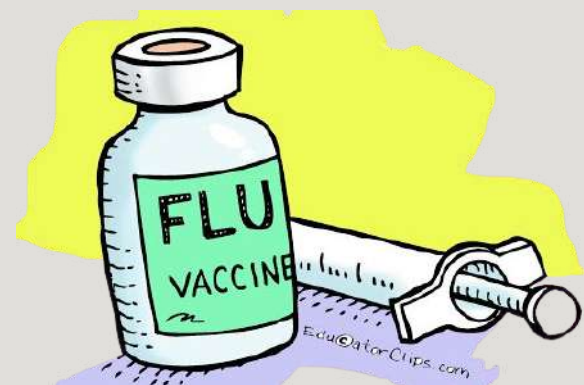

Flu Vaccinations

MONDAY 7TH DECEMBER AND TUESDAY 8TH DECEMBER

Please remember to complete the online consent form if you want your child to receive the flu vaccination during their upcoming visit. You can do so by visiting www.surreyimmunisations.co.uk and inputting our school's unique code SR125311. Please note, the portal to consent will close on Tuesday 1st December. If you do not want your child to receive the vaccine, please complete the online form but select "no" to consent. Please note, the vaccine is only available to Years 7- 11.

If you have any questions regarding the vaccine, please email them to the team directly - scfh.immunisations@hrcrgcaregroup.com.

CAREERS

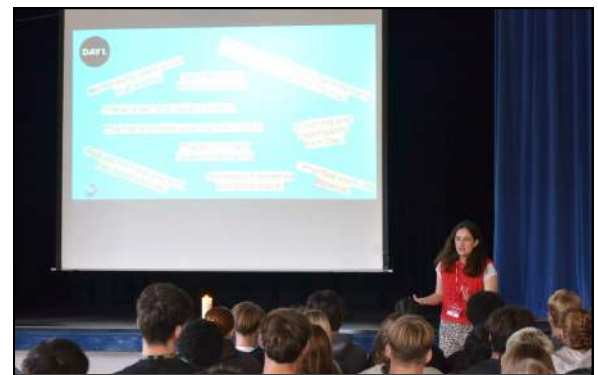

Procter and Gamble Assembly

Year 13 students were treated to an inspiring assembly led by representatives from Procter & Gamble, who introduced their prestigious Degree Apprenticeship Programme.

The session highlighted the exciting opportunities available at P&G, including the chance to earn a degree while gaining hands-on experience at one of the world's leading companies.

A special moment came when former student, Caitlyn Axelrod, returned to speak for the second year in a row. Two years ago she was sitting in the same seats as our current Year 13s, and now she's thriving as a P&G degree apprentice, speaking with confidence about all she has gained on the programme. Caitlyn and her colleague, Thea, shared insights into why P&G is a fantastic place to work. Thea studied Economics at Bath and shared her experience of the course and Bath as a university, whilst Caitlyn offered practical advice on how to apply. It was a powerful reminder of where ambition and hard work can lead. Students have now been invited to visit P&G's HQ in Weybridge in December.

Sixth Form Careers Talk

GOING INTO THE WORLD OF WORK

We were delighted to welcome back former student, Jack Gale, back to St Paul's to speak with our Sixth Form students about apprenticeships, degree apprenticeships and entering the world of work. Jack has become a huge supporter of the St Paul's careers programme. Jack shared his own journey to securing a degree apprenticeship with Capgemini, alongside valuable advice about applications and interviews. It was a fantastic opportunity for students to hear first-hand about this exciting pathway and ask questions about life as a degree apprentice. A huge thank you to Jack for giving his time and continuing to support and inspire our students!

DUKE OF EDINBURGH ASSEMBLIES

We were delighted to launch the Duke of Edinburgh's Award for students in Years 9 and 12 this term, giving them the opportunity to develop new skills, volunteer within their communities, take on physical challenges and complete an expedition. Rooted in our Catholic mission of using our gifts for the common good, the programme encourages students to step outside their comfort zones, build resilience, develop leadership skills and make a positive contribution to others.

We are excited to see these new cohorts begin their DofE journey.

EXPERIENCE OF THE WORKPLACE

PARENTS - WE NEED YOUR HELP!

We need your help to find out about employers who offers work placement opportunities for students, so we can build a database of businesses that might be able to assist our students. It does not have to be a whole week's placement; a day's experience is also extremely valuable to a student. This year we are excited to have our year 10 and year 12 students gaining experience of the workplace in July 2027. This is a fantastic opportunity for them to explore different career options and to develop the employability skills they need to progress on to Key Stage 5 study, degree level study and the world of work. Please email Mrs O'Farrell – eofarrell@st-pauls.surrey.sch.uk with the employers name and contact details.

Thank you in advance.

MOBILE PHONE POUCHES

As part of our commitment to creating a focused and distraction-free school, we would like to remind all parents in Years 7-11 that they must have purchased new phone pouches via WisePay.

From Monday 2nd November, mobile phones must be secured in phone pouches throughout the school day. The pouch system will help students develop healthy habits around technology use.

Thank you to our students, staff and families for their support in making this initiative a success.

Sports Fixtures Highlights

AUTUMN TERM 1

It has been a good start to the year, with some great results in our sports fixtures reflecting the outstanding teamwork, dedication and determination of our players. Here are some of the highlights:

14th October - Year 8 won 3- 1 in their football match against Sunbury Manor - Great goals from Noah A, Alex and Ollie.

13th October - After a great warm-up in a friendly match against Bishop Wand, the girls netball team went on to secure two fantastic wins against Matthew Arnold (5-0) and Thomas Knyvett (5-3).

12th October - Our Year 9 football team drew 3-3 against Matthew Arnold. The boys represented the team, school and PE Department extremely well.

7th October - Year 8 Netball team won 1-0 against Thamesmead and drew 2-2 in their match with Bishop Wand.

1st October - Year 7 Netball Team won 4-0 against Magna Carta and our Year 8 Netball team also won their game 5-2 against Magna Carta.

23rd September - Year 10 football team won 2-0 against Matthew Arnold. Anthony C was man of the match for both goals, creating lots of opportunities.

23rd September - Gael Londain County Final Winners. St Paul's representatives for the U17 team were Ethan M (Year 10), Cian D (Year 10), Stanley W (Year 12) and Cathal M (Year 11).

23rd September - Year 10 netball team won 2-0 against Sunbury Manor.

22nd September

Year 11 netball team won against Matthew Arnold. Great play from Izzy H, Grace M, Khloe J and Evie C.

17th September

Year 10 football Team won 4-1 against Bishop Wand. Great goals from Reuban H, Anthony C and Nathan C.

Holidays and Unauthorised Absences

Just to remind parents/carers that if they take their children out of school without authority for 5 or more days (which do not have to be consecutive), then the following will apply:

1. If you have not incurred a penalty notice relating to this child/children in a rolling 3 year period since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, per parent/carer per child, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, per parent/carer per child, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, per parent/carer per child, in the Magistrates Court under S444 Education Act 1996.

Surrey County Council is not responsible for authorising pupil absence and therefore cannot withdraw any Penalty Notice requests without the written permission of the Headteacher.

CURRICULUM

Autumn Term 2

At St Paul's, we are dedicated to ensuring that our students' experiences embody the values of our Catholic College: Achieving Excellence and Learning to Serve. We follow the National Curriculum, offering a comprehensive and balanced educational journey that helps students advance to the next stage of their learning. Our approach is ambitious, empowering students to succeed and achieve exceptional results, and we strive to help all students excel both inside and outside the classroom through high-quality teaching and outstanding outcomes.

The full curriculum is available on our school website. For details about what your child(ren) will be learning next term, please click on the link below. The subjects are separated into KS3 / KS4 / KS5.

St Paul's Catholic College - Long Term Plans

WHAT'S NEW IN YOUR SCHOOL RESTAURANT?

AUTUMN 2026

Our new menu lands after half term, with fresh dishes, familiar favourites and new flavours to try!

STAR DISH

SWEET CHILLI CHICKEN KOFTA

WITH LEMON & HERB ROASTED POTATOES, SEASONAL VEG OR SALAD

We've listened to student feedback to bring more variety and exciting flavours to our menu. We're also making progress towards the proposed School Food Standards, with more fibre and less fat, sugar and salt. As we continue to develop our food offer in line with the new standards, we'll share further updates on our plans and what they mean for your school restaurant.

4 WAYS TO ENJOY LUNCH!

From freshly prepared meals to high-street favourites, there's something for everyone.

Young Carers School Champions

Mrs Paula Darvill
Young Carers Champion

Think you might be a carer?

Do you need help?

Need someone to talk to?

Definition of a Young Carer

What is the definition of a young carer?

A young carer is under 18 and provides unpaid help and support for someone within their family with a long-term physical ability, mental health condition or problems with drugs and/or alcohol.

Sometimes the person they care for relies on them and wouldn't be able to function without their help and support. They care for them not only practically but emotionally as well.
